"VOICE OF THE GLADES"

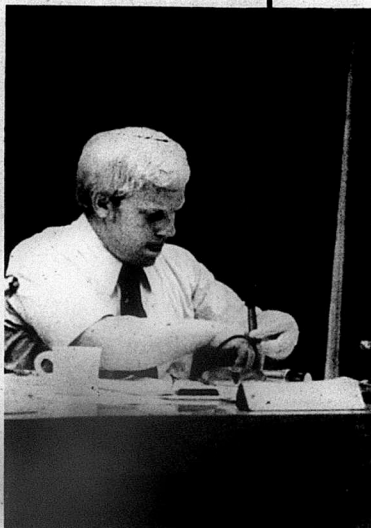

VOLUME 39 - NUMBER 35

THURSDAY, JUNE 30, 1977

15 CENTS

Is there a mechanic around?

IS THERE A mechanic in the house? was the call Monday night when City Commissioner Tom Altman found his microphone stand in more pieces than he'd bargained for. Mayor Ralph Kirk had asked Altman to speak into his mike so people in the audience could hear him and when Altman took the mike out of its stand, the stand fell apart. Hmmm. Couldn't be the commissioner was a trifle nervous because of another impending meeting Tuesday evening when he was to wed Debra Wedgworth? He did comment he hoped there'd be a quorum at that meeting.

Recreation: The squeaky wheel gets greased

BELLE GLADE—Delays on two recreational projects and demands for programs to "get the kids off the streets" now resulted in a softball field that will be in use this weekend and a gym that has been operating longer hours this week.

Delays caused by unexpectedly high bids to repair Lake Shore Swimming Pool and build the Lake Shore Recreational Park brought the change in the City Commission's earlier decision to fund no part of the Community Schools project and the decision to go ahead and build a temporary softball field.

Representatives of a large crowd who turned out for the regular City Commission meeting Monday night demanded the commission put up the \$4,000 to keep the Lake Shore Gym open at night. The softball field was the result of

another meeting Tuesday morning.

Ronald Cook said the city's recreational program isn't benefiting the black community and asked the commission to set up a softball field equivalent to the Jaycee Little League Park.

"We can't use that park," Cook said, "and we can't join the leagues that do use it."

Elmore Williams offered to get the clay for the infield of the softball diamond if the city would agree to survey it but added the city also needs to install lighting for the park.

Commissioner Tom Altman said a park has already been planned as part of a larger overall recreational area at the Lake Shore Civic Center but the bids which came in were in excess of \$150,000 and the city is readdressing for other bids in an attempt to get the price down.

Altman asked for a meeting with representatives of the group on Tuesday morning, when City Recreational Director Johnny Rutledge

Contractor board abolished

Belle Glade alters licensing process despite demands

BELLE GLADE—The City Commission decided Monday night to go ahead with plans to set up a new licensing system for contractors in the city in spite of demands to abide by an existing city ordinance and give him an exam to become an electrical contractor.

William Evans, who has attempted for some months to get the city to give him an examination or grandfather him in, told the commissioners during their regular meeting he has waited long enough and they should enforce an ordinance on the books which hasn't been used for years.

The ordinance authorized a licensing board which was supposed to have administered examinations for electrical, plumbing and general construction contractors but that board hasn't been in existence in years and the city never did set up its own testing system.

Instead, after a debate which has been going on for several meetings, the commission decided Monday to draw up a new ordinance which would allow the issuance of contracting licenses to anyone who:

1. Already has been certified by the state.
2. Has already been certified by Palm Beach County or to any county which Palm Beach County has a reciprocal licensing agreement.
3. Has been grandfathered in by the ordinance.
4. Can offer proof of having passed an H & H Block administered test of competency plus proof of two years experience as a journeyman in the trade.

"I've asked for a test for some time now," Evans told the commissioners, "and I want to appear before the city board. I think enough time has gone by."

Mayor Ralph Kirk pointed out to Evans the city doesn't have a board for him to appear before and Commissioner Tom Altman said the commission has already taken steps to set up new procedures, which should be ready for operation by the July 12 meeting.

"I know," Evans replied, "but there is an ordinance which says you do have a board or ought to have one. I'm asking you to abide by that ordinance."

Altman asked City Attorney John Baker if there were some way to issue a temporary license and Baker said there isn't. He said the only way to get a license issued before

the new ordinance takes effect is to go ahead and appoint a board for the interim period.

Referring to two letters written to the city by former employers which he said he hadn't been given the opportunity to read, Evans said he feels he should have the right to reply in his own behalf.

"I'm tired of being harrassed," he said, "of being the good guy. I'm going to take whatever action it takes to get a license, including retaining a lawyer."

He pointed out that in an earlier meeting, three commissioners directed City Manager Robert Sanders to issue him a license based on being grandfathered in as an electrical contractor in Marion County.

"Who's running this city," Evans asked the commissioners, "the City Commission or the city manager?"

Mayor Ralph Kirk replied it is a combination of the commission and the manager and the reason the license wasn't issued was that they had been informed by Building Inspector Kenneth Ritterer city ordinances forbid issuing a license on the strength of his being grandfathered in by another county.

Although the ordinance had already been drawn up by Baker, it wasn't until Commissioner Tom Altman brought it up that passing the H & H Block exam was inserted as one way of qualifying a person for the contractor's license.

"After that had been agreed on, Ritterer said there should also be a qualifying period of experience, saying the Block test was conducted open book and, 'if a person is quick enough, he needn't know that much.'"

Ritterer said the county requires at least four years experience as a master electrician and the city should require at least three years as a journeyman as a minimum. The commission finally settled on two years as a journeyman.

When the question of how licenses could be revoked came up, Baker told the commission that if they don't allow for a licensing board, the commission itself would have to take on that responsibility.

Once the ordinance was adopted on the first reading, Evans told the commissioners that since the H & H Block exam is administered in Gainesville, the city should absorb at least part of the cost of making the trip to take it.

Altman replied that it isn't necessary to go to Gainesville, that an applicant need only travel to West Palm Beach, apparently referring to the fact the applicant can get his license by taking the county exam.

GCI prisoners plan July Fourth festivities

BELLE GLADE—Several activities have been planned for this weekend at Gladys Correctional Institution to Celebrate American Independence Day and New World Patriotism Day.

New World Patriotism Day will be celebrated Sunday by The Muslim Community at GCI in the prison's recreation room. The highlight of the program will be the live broadcast of a national speech by Wallace D. Muhammad, son of the late Elijah Muhammad, founder of the World Community of Islam, formerly known as the Black Muslims.

Muhammad is Chief Imam of the community his father founded. His speech will originate in Gary, Ind. and will be broadcast at GCI through a special telephone hook-up from Atlanta, Ga.

The program will also include talks by the resident Imam, H. Rasul Shabazz, and a representative from the Masjid #29 of Miami, which is helping to sponsor the program. Imam of the Miami masjid is Abdul Aziz Najiy.

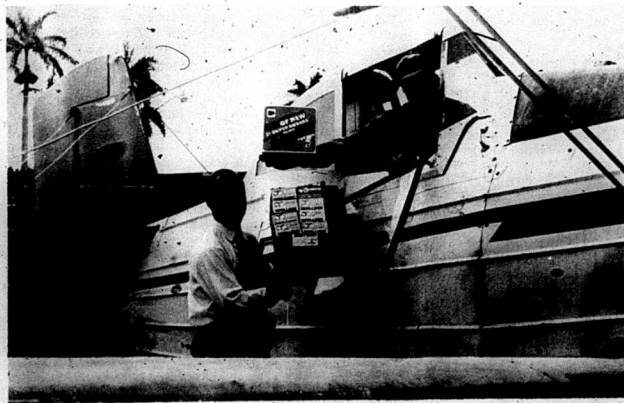

Imam Shabazz, formerly Harold Bentley of Fort Lauderdale, expressed thanks for the cooperation of GCI Superintendent R. V. Turner and GCI Chaplain John Davenport. "Without their help," he said, "this valuable and sacred message might not have been available to our Muslim community here at GCI."

"To the best of our knowledge," he went on, "we are the only institution in the state of Florida which will have such an arrangement for this event."

Monday, July 4, will be a special visiting day, with the prisoners allowed to receive approved visitors that day even though they may have already

taken advantage of a Saturday or Sunday visit.

Maj. Robert Mineo said the kitchen will enter into the holiday spirit with a special menu cooked outdoors and more than 400 watermelons have been ordered to go with the chicken and spareribs to be barbecued over charcoal.

A RAIN OF CANDY to help celebrate the Independence Day festivities at the Apostolic Church of Jesus Christ is readied by the pastor, J.P. Feld, who hands a case of candy up to Ag-Air, Inc. pilot Bud Forsness.

Sweet rain forecast for a fun-filled Fourth

BELLE GLADE—It'll be like manna from Heaven Monday when the kids taking part in the dedication of the recreational facility of the Apostolic Church of Jesus Christ undergo a literal rain of candy.

The rain of candy will be the high point of day-long festivities featuring community-wide participation in softball games, dinner on the grounds, sing-alongs and a combined celebration of Independence Day and the opening of the church recreational facilities.

The Rev. J.P. Feld emphasized that although the day's festivities are going to be on the church grounds, the entire community is invited to take part in the events.

"There won't be any

charge," Feld said, "but if anyone really wants to do something, they can bring a covered dish and come on down."

Feld said he has arranged with Howard Barker, owner of Ag-Air, Inc., to generate a "big candy rain" by dumping approximately 100 pounds of candy over the church grounds from an airplane.

Also expected to take part in the celebration are congregations from the home church in Miami and another church in Arcadia. Feld also said the church's founder and builder would be present.

The celebration will get underway about 2 p.m., Feld said, and is planned to continue until...

Glades Sugar wins first game of year

By Karen Hansford

The Glades Sugar softball team won its first game of the season last Thursday evening as women's softball progressed into the third week of play at the Belle Glade Little League-Jaycee ballpark.

Rhonda Gamble was the leading scorer for the green team, making three of its 14 runs. Amid heavy hitting and errors, Glades Sugar jumped off to a two-run lead in the first inning over the Miami Herald girls. Michelle Jordan had just walloped a homerun for one of Miami Herald's two runs.

Concentrating on defense, Glades Sugar allowed only one run in the third and fifth innings by Miami Herald, both by Michelle Jordan. With a lapse in the fourth and fifth innings, the batters knocked in seven more runs for a final score of 14-4.

In other games, on Tuesday evening, June 21, the Miami Herald team took advantage of South Bay Growers' pitching problems and walked and ran around the bases for 23 runs for the girls' second win of the year.

Drawing nine walks in the first inning, the yellow-clad team took a 14 run lead while holding the South Bay Growers batters to six consecutive outs in the first two innings. In the third inning, South Bay's defense exercised a little more control and held their opponents to only one run on a triple by Janie Pugh crossed the plate.

Miami Herald broke loose in the top of the fourth for another eight runs and held South Bay Growers

to four in the fifth inning to win, 23-5.

Top ranked Wallis Pharmacy struggled to a 12-7 triumph over Dixie Fried Chicken in the second game that night.

Doris Velez led off with a three base hit as Wallis went for five runs in the first inning to Dixie Fried's one by Erma Vasquez.

With the second inning scoreless, Ronnie Pike and Bonnie Merklinger added two runs on a protested hit by Frances McLeod in the third, then Julie Pate rounded the bases for Dixie Fried Chicken's second run.

After pushing two more runs across for Wallis, the score was nine to two going into the bottom of the fifth inning when the "Chicken" team rallied for three more, one of them a double by Sharon Humphrey.

The Wallis defense managed to climb out of trouble when Awilda Rosario hit a line drive to shortstop with the bases loaded and Norma Santos was caught off third base for a double play.

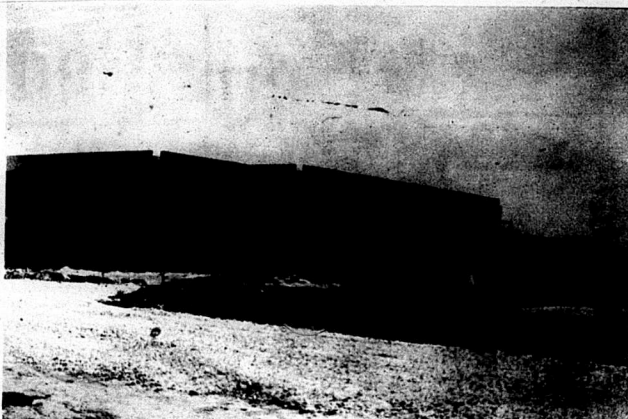

Wallis scored another three runs in the sixth and Dixie Fried Chicken pushed two in for the final score, 12-7.

In the other game played last Thursday, Local 2152 played top-notch defense in a 9-1 rout of Dixie Fried Chicken.

The first inning was scoreless for both teams; then Donna Garcia, Barbara Gartzog and Patty McLeod rounded the bases for a 3-1 lead after two innings. Dixie Fried's lone run came in the top of the third when Jackie Hyslope came in.

Donna Garcia slammed a triple into left field, knocking in two of five runs in the fourth inning for Local 2152. Linda Anderson added another one in the fifth for the team to post its third win.

The league standings as of June 24 are: Wallis Pharmacy, 4-0; Local 2152, 3-1; Miami Herald, 2-0; Glade Sugar, Dixie Fried Chicken and South Bay Growers, each with one win and three losses.

THE FIRST BUILDING at Palm Beach Junior College-Glades' new campus is rapidly taking shape as Roe Steel Construction attempts to get the building ready to house classes by the college's fall term. The build-

ing, located on SR 715 just south of Glades Plaza, is expected to house students for the first time on a permanent campus in the Glades. It is the first of several phases of construction on the site.

Thurs., June 30, 1977, HERALD—OBSERVER-3A

Okeechobee Fishing

Bass taken despite heat

With the temperature nearing 100 degrees almost every day, the large bass are giving area anglers quite a challenge. Most of the catches reported during last week were taken deep in the rim canal where they have come in search of cooler water. This calls for some new techniques for someone who has spent all winter fishing a particular pepper grass bed or underneath a favorite lily pad.

On Wednesday, Jim Wall and Jack Scott of Belle Glade used blue plastic worms to take 12 bass in the canal.

Doug Bowe and Cecil Kelly of Belle Glade used Johnny Rattlers to take a total of nine bass on Friday

with their largest going five pounds. Doug went out again on Friday afternoon and brought in an eight-pounder on that trip.

On Thursday Wynn Flew of Lake Worth tried his luck with live bait and brought in a 6½ pounder, a 5½ pounder and two smaller ones.

Bob Baker and Gary Gray of West Palm Beach used plastic worms in the canal on Saturday to take 12 bass to 4½ pounds each.

Jim Wall and George Scarbrough of Belle Glade took six bass to five pounds each on blue plastic worms in the canal on Friday.

Gene and Sue Chestnut of Fort Lauderdale reported 18 bass on

Saturday and nine more on Sunday using plastic worms.

Bluegill fishermen have also reported action during last week especially in the canal south of Sim's and in the dynamite holes. Belle Glade fishermen Joe Gilliam and Ted Weyzant used Fly Rods on Tuesday to take 35.

Al and Cora Proper and Lisa Eddy of Belle Glade used Crickets on Sunday to take approximately 75 bluegills.

Local teenagers Stuart Stein, Keith Agnew and Richard Burns brought in 60 bluegills on Sunday afternoon taken on fly rods in the Kreamer Island area while wading,

Wilkerson named to All-Area

BELLE GLADE—Glades Central's Rosa Wilkerson wound up her sophomore year of track competition Sunday when she was named the Palm Beach Post's All-Area player of the year in girls' track, with Coach Jay Seider being All-Area Coach of the Year in the sport.

Miss Wilkerson was named to the all-area team two ways; once for her prowess in the 44-yard run and again as a member of the 880-yard medley.

She was also named to the All-Conference team and won second place in the 440 at the state track tournament in Winter Park. Going into her junior year, she still has two years of competition at Glades Central ahead of her. Before then, however, she will compete in the junior olympics event held by the AAU in Miami. Seider has been coaching at Glades Central for the past five years. Besides girls' track, he is also the head coach for varsity basketball and an assistant coach in varsity football.

Other Glades Central girls named to the all-area team were Kathleen Ford in the shotput, Janice Wright in the high jump, Marietha Peavy in the 110 yard hurdles and Judy White and Linda Baldwin along with Miss Wilkerson and Miss Ford in the 880 medley.

WORDS OF FREEDOM

We hold these truths to be self-evident: That all men are created equal; that they are endowed by their Creator with certain inalienable rights, that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed.

—The Declaration of Independence

WORDS OF FREEDOM

We, here in America, hold in our hands the hope of the world, the fate of the coming years; and shame and disgrace will be ours if in our eyes the light of high resolve is dimmed; if we trail in the dust the golden hopes of men.

—Theodore Roosevelt

Miss Ruiz honored with shower

BELLE GLADE—Miss Mary Ruiz, bride-elect of Jesus Avila, was honored with a miscellaneous calling shower, Sunday June 26, at the Municipal Civic Center in Belle Glade.

Serving as hostesses for the occasion were, Gudula Ruiz, bride's mother, Ingrid Avila, groom's mother, Carman Ruiz, Nancy Baez, Ana Gomez, Maritza Alfonso, Juanita Machado, Juana Rodriguez, Blance R. Navarro, Carmen Fraga, Lidia Baez, Lucia Molina, Maritza Garza and Miriam Santana. They wore corsages of

blue sprayed carnations.

The Civic Center was decorated with baby blue and white ornaments. The tables, placed around the hall, were covered with white table cloths with blue umbrellas trimming the edges.

The main table, where the cake, adorned with umbrellas and hearts and a lace umbrella, was covered with a white lace table cloth. Behind it the name Mary was spelled with crepe paper.

Refreshments included the cake, fruit punch, lime-sherbert punch,

cold meats, chicken salad and mints.

Miss Ruiz wore a baby blue dress with a white orchid corsage.

The bride-elect is the daughter of Mr. and Mrs. Reynundo Ruiz of 732 S.E. Fourth St. in Belle Glade. She is a 1976 graduate of Glades Central High School and is presently employed by the Belle Glade Food Stamp Office.

The groom-elect is the son of Mr. and Mrs. Victor Avila of 309 N.W. 14th St. in Belle Glade. He is a 1975 graduate of Glades Central High School and is presently employed by Rodriguez Service Center.

The wedding will take place at 7:30 p.m. July 29 at St. Philip Benizi Catholic Church in Belle Glade.

People

Suprise bridal shower honors Miss Farrow

BELLE GLADE—Miss Jackie Farrow of Belle Glade bride-elect of Earl Wayne Brown, was honored with a bridal shower at the home of Mrs. J. P. Collins in Belle Glade.

Hostesses for the occasion were Lori Collins, Karen Walden, Kim Cooper, Becky Sims and Carol Hart.

Among the refreshments served was a blue and white cake. Other refreshments included mints, nuts, coffee and a blue fruit punch.

The door prize was won by Mrs. Helen Miller, and Mrs. Jana Campbell winner of the other two games played.

The guests present included Wanda Vaughn, Renee Bishop, Denise Williams, Wilma Rowland, Betty Collins, Jana Campbell, Mrs. Carl Campbell, Mrs. Grafton Jones, Kay Collins, Carlisa Collins, Mary Hart, Kathy Hart, Leola

Motes, Tammy Motes, Louis Sasser, Joanne Deaton, Juanita Bearden, Charita Chancey, Carolyn Brown, Mrs. Simmons, Vivian Prevall, Dorothy Whidden, Mrs. Sprinkle, Sue Roth, Lynn Erickson, Lynn Kimberly, June Henderson, Mrs. Helen Miller, Mrs. Coward, Mrs. Buddy Allen, Audrey Hadden, Cathy Hadden, Barlene Bulker, Mrs. Brown, Mary Vaughn, Mrs. Joseph Lonon, Helen Lowell, Pauline Sloan, Mrs. Doug Thompson, Ruthie Matthews, Candy Ganadio and Diane Ganadio.

Miss Farrow is the daughter of Mr. and Mrs. J. P. Collins of 601 S. E. Eighth St. Belle Glade.

The groom-elect is the son of Mr. and Mrs. Earl Brown of 109 N.W. Ave. K Belle Glade.

The wedding will take place at 8 p.m. Friday at the Missionary Alliance Church of Belle Glade.

Pahokee Lions set barbecue

PAHOKEE—The Pahokee Lion's Club is getting ready for the feast, their annual Fourth of July Bar-b-que, which will be held on the fourth, Monday, from 11 a.m. until around 4 p.m. or until the food is gone.

Proceeds will go to the Lions Club Sight Fund and Eye Bank. Plates are \$4 for adults and \$2 for children.

Outgoing president Glenn Brower said, the plates will be generously covered with bar-b-que chicken, white corn, baked beans, cole slaw, bread and iced tea. And the cooks are supposed to be experts at their trade.

The chicken cooks are Bill Cross, Tom Hartzog, Frank Gillis, Phelix Slonaker, and David Fountain. Chicken procurers are Buddy Mills and Harvey Boris. Tea will be served by Mayor Duncan Padgett.

Dave Cunningham and Dick Lane are in charge of tickets, Glenn Brower is corn procurer, David Fountain and Phelix Slonaker are corn cooks and Ray Hutton will provide the corn stove.

Buddy Mills and Norma Norman are the slaw and beans cooks and servers are Glenn Brower, Mazella Brower, Wilma Slonaker and Barbara Mills.

Miss Zywicki announces engagement

Mr. and Mrs. Edward Zywicki announce the engagement of their daughter, Adele Theresa to Emory Frank Kimbro, Jr. son of Mr. and Mrs. L. W. Peters and the late Emory Frank Kimbro, Sr. of Sylvester, Ga. The couple have planned a September wedding.

Business Personality

ED BRANCATI

Ed Brancati, 58, is owner and manager of the Tastee Treat in Glades Plaza, Belle Glade. Ed came here from Fort Myers where he had lived for 13 years as manager of Florida State Employment Service in 1971 and decided to get into his own business in the Plaza. His son works with him at the Plaza, as does most of the family from time to time. Ed was in the military during World War II but says he saw action only "on the home front."

CARD OF THANKS

PAHOKEE—My sincere thanks to all the people of Pahokee who have stood by me in the last two years of my husband Henry Parker's life.

Thanks to Dr. E.C. Johnson for all his help, to the staff of Everglades Memorial Hospital, to the ambulance crew who responded so quickly to many times when I needed them, to John Turpin in Respiratory at the hospital who helped there and at home, to the Paige family who was always there taking me to and from the hospital and at home during the last two months, to the Santa, Cortez and Golden families for helping at all times at home, and many thanks to C.R. Wetherington and family.

Thanks also to the Visiting Nurses Association, to all the churches that held special prayers for him and to all who came or called, especially to Rev. Carl Storey who stood by for 18 months, to the First Baptist Church for all the food and help they provided, and to Dickie Fountain who flew in from Nashville, Tenn. to be with me for two weeks.

We lived in Pahokee for 38 years and feel we are all family. My heartfelt thanks to all. I will never forget and I love you all.

Miss Scott is wed to Mr. Dunaway

BELLE GLADE—Miss Beverly June Scott, daughter of Mr. and Mrs. Harold Scott of 632 N.W. Ave. F in Belle Glade, became the bride of Anthony Dunaway, son of Mr. and Mrs. Tony Dunaway of 1717 Palm St. in Belle Glade.

The double ring ceremony was held June 17 in the Church of Christ in Belle Glade, with Dane Waggoner officiating.

Miss Scott chose for her wedding day a white satin gown with pearls and lace daisies trimming the hem. A floor length veil complemented the dress. She carried a bouquet of white carnations, yellow roses and baby's breath.

On her way to the altar Miss Scott presented her mother with a single yellow rose and on her way out as Mrs. Anthony Dunaway she did likewise to the groom's mother.

Serving as maid of honor was Miss Debbie Austin of Belle Glade. She wore a solid blue gown and carried a bouquet of blue sprayed carnations.

The bridesmaids were Lisa Scott, sister of the bride, and Lane Harville. They wore identical french white print dresses and carried bouquets of blue sprayed carnations. Shari Holloway of Belle Glade was the flower girl.

Mark Longwell of Loxahatchee was the best man. Chris Scott and Keith Dunaway, brother of the groom, were the groomsmen. They wore blue tuxedos and carnation boutonnieres.

Mrs. Scott was attired in a blue long sleeved gown and her corsage was of blue sprayed carnations.

Mrs. Dunaway wore a blue lace long sleeved gown and her corsage was of blue sprayed carnations.

After the ceremony a reception was held at the American Legion Hall. The hall was beautifully decorated in blue and yellow by Linda Mims, who planned and directed the wedding. Hostesses for the reception were Gerry Otto and Wendy White.

Mrs. Shelley Lashley kept the bride's book. Patty Youchok

caught the bouquet and Mark Longwell the garter.

After a honeymoon at Ft. Myers Beach, Mr. and Mrs. Anthony Dunaway are making their home at 1606 S.E. Ave. G. in Belle Glade.

GED is offered

The Department of Adult and Community Education announces that the Florida High School Equivalency Diploma Test (G.E.D.) will be given July 12, 13 and 14 at Palm Beach Gardens High School, 4245 Holly Drive, Palm Beach Gardens.

The test will be given from 6 to 10 p.m. and application for the test must be made one week in advance.

The G.E.D. Test is offered weekly throughout the county. For additional information call Glades Central High Community School after 2 p.m. at 996-7246.

Mr. and Mrs. Dunaway

Program outlined

BELLE GLADE--Because there has been some concern and contradictions over the city's recreation program many people may be wondering just what is available for the youngsters this summer.

Besides the use of the Lake Shore gym from 6:30 to 10:30 p.m. and the softball field at the Lake Shore Civic Center, which is expected to be ready for use before the weekend, the city's Summer Enrichment Program includes:

Grove Elementary--Arts and crafts and low organizational games and activities.

Belle Glade Elementary--Arts and crafts and low organizational games and activities.

Lake Shore Elementary--Arts and crafts and low organizational games and activities.

Gladeview Elementary--Arts and crafts and low organizational games and activities.

Lake Shore Middle School and Glades Central High School--Basketball, volleyball, softball, horseshoes, card games and other activities.

McDonald and Lyons Parks--Tennis tournaments at the two parks and a tennis match between the participants at the two parks, summer basketball leagues at Glades Central and Lake Shore schools and a summer softball league at Lake Shore Park.

All the activities are supervised by professionals and will last seven weeks (through Aug. 5).

Aluminum pickups set

PAHOKEE--The hot summer days are bringing increased volumes of all-aluminum beverage cans to Reynolds Aluminum Recycling mobile unit in Pahokee.

During July, the unit will be at the Little League Ball Park, 515 Bacon Point Road from 2 p.m. to 3 p.m. every Thursday to purchase aluminum from the public.

Reynolds pays 17 cents a pound for aluminum beverage cans and other clean household aluminum items such as pie plates, foil, frozen food and dinner trays and dip, pudding and meat containers. Certain other items, including aluminum siding, gutters, storm door and window frames, and lawn furniture tubing are also worth 17 cents a pound if properly prepared. This aluminum must be free of all foreign materials, cut to lengths not exceeding three feet and should not be mixed with cans.

Consumer hints aired

GAINESVILLE--Palm Beach County area consumers can now hear a new consumer oriented radio program on WFOM, 1600 AM.

The program, "Consumerculture," is a five-minute show that airs every hour Sunday afternoon.

Produced by Florida Farm Bureau Federation (FFBF), the largest farmer organization in the state,

"Consumerculture" features a variety of topics of interest to the consumer with special emphasis on food prices. Program host Angie Grant says he will let listeners know when a food price should be changing--up or down. Other features will include: home care and maintenance tips, cooking and shopping information and special interviews.

Min'isters set meeting

The Belle Glade area Ministerial Association will hold its monthly meeting at 7 a.m. on Tuesday, July 5 at the Glades General Hospital. All Belle Glade ministers were asked by Maurice R. De Veaux, president, to come and give support to the association, so that it will benefit the community of Belle Glade.

Church

Vacation Bible school is termed a success

Guest to speak in Canal Point

CANAL POINT—The Reverend Enoch S. Finkles, Jr. of Pelton, S.C., will be the speaker at the Canal Point United Methodist Church Sunday, July 3, at both the 11:00 a.m. and 7:00 p.m. services. Finkles is known to many area residents since he has on several occasions served as guest evangelist in revivals held at Canal Point Church. Friends of Finkles and the church are cordially invited to attend.

CANAL POINT—The Canal Point United Methodist Church's Vacation Bible School was termed a complete success with record attendance by church minister, D. Casselberry. Vacation Bible School was held from Monday, June 20 through Friday, June 24. The theme was "10-4, God's Message Received and Understood", and Mrs. Peggy Repper was the V.B.S. director.

Class leaders for the week were Mrs. Janis Maxson, nursery; Mrs. Helen Wilson and Miss Jill Wilson, kindergarten; Mrs. Diane Kennedy and Mrs. Sandra Sugge, primary; Mrs. Shirley Sims, middlers and Miss Rynette Wilson, juniors. Mrs. Sandra Jarril was the music director and Mrs. Francis Adams, Mrs. Diane Kennedy and Miss Shelley

Padgett were music accompanists. Crafts were under the direction of Mrs. June Harrington; Mrs. Miriam Hollon and Miss Shelley Padgett. Recreation was led by Miss Eddie Millie, Preston Mims, Herod Spangler and Jerry Smith. During the week the children enjoyed special films. A special Love Offering for the work of agricultural missionaries Leon and Vicki Welch, who are in Indonesia, was taken. Daily refreshments were led by Mrs. Becky Kepp and Mrs. Maxine Maxson.

On Friday morning the group enjoyed a picnic at the Community building and park. On Friday evening the students presented a program with the children singing and showing the crafts they had completed during the week.

A THIRSTY LAND

Men have a thirst and a longing for goodness and righteousness. Even the most parched soul is touched by acts of kindness, forgiveness, and love. Jesus said, "Whoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life."

May all who are thirsty for a oneness with man and with God find satisfaction, and fulfillment by attending church

Church of God convention set

The Church of God, in the State of Florida, will be holding its annual convention and camp meeting in Wimauma, from June 27-July 3.

State Overseer, Reverend Benjie S. Triplett, has invited Dr. Charles W. Conn, president of Lee College, Cleveland, Tenn., to be the Bible teacher each morning. Dr. Conn will be teaching on the subject of a balanced church.

The evening speaker, is Carl Richardson, an internationally known radio and television preacher. Rev. Richardson's radio program, "Forward in Faith", sponsored by the Church of God, is heard over 400 radio stations around the world.

The meetings will also feature a massed choir of some 500 voices and special soloists. The Churchmen who will be supporting Rev. Richardson, are an internationally known trio from coast to coast on television and recently sang on the capital steps in Washington, D.C.,

as a nation wide television special was being filmed.

Pastor Roy C. Miller of the Belle Glade Church of God, who will be attending the meetings together with his congregation, anticipates that there will be up to 10,000 persons present for the Great meetings.

Pastor Miller, who can be contacted at 879 S.E. 2nd St., will be happy to answer any questions and give directions to the Wimauma Camp Grounds.

Association enjoys old fashion picnic

CANAL POINT—The Pahokee and Canal Point Ministerial Association enjoyed an old-fashion picnic at the park of the Canal Point Community Building on Sat., June 25.

A picnic dinner which included watermelon, fellowship and a softball game was enjoyed by the many

people from various churches throughout the two communities. That evening an outstanding performance was given by "Sunshine & Co." who are from the Casselberry United Methodist Church, Casselberry, Fla.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

America Celebrates the 4th with Pride

"We hold these Truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.... Our founding fathers had the foresight and wisdom to create a document which clearly defines our American ideals. For the past 201 years, we've upheld these values set forth in the Declaration of Independence and in so doing have become a strong nation of people...from all backgrounds, races and religions...working, growing and prospering together with one goal...a better America...a better world. This July 4th let's celebrate the birth of our heritage with renewed spirit, unity and pride."

The Bank of Pahokee

wishes you and yours a safe and enjoyable 4th!

This July 4th let's show our colors...celebrate America!

Insurance safety awards made

BELLE GLADE—The Farm Bureau Insurance Company honored 13 agricultural related businesses with safety awards Tuesday at the local Elks Lodge. These 13 represented a portion of the company's executive accounts whose premiums are a minimum of \$25,000.

The honorees were picked on the basis of having an exceptional low loss ratio in the categories of workman's compensation, automobile loss, and general liability. The 13 honored consistently showed safety consciousness during the year of 1976.

Winners included Evergreen Sod, Florida Lettuce, South Bay Growers, Hilyer & Sons, Roma Services, Sugarcane Growers Cooperative, Seminole Sugar, Chem

Air-Spray, Hutton Bros., Inc., Big Ranch, New Hope Sugar, Roth Farms, Inc., and Mace Sod, Inc.

The winners were presented plaques which stated "Presented in recognition and appreciation of your outstanding performance in

WORDS OF FREEDOM

Freedom of religion; freedom of press; freedom of person under the protection of the habeas corpus; and trial by jury impartially selected—these principles form the bright constellation which has gone before us, and guided our steps through an age of revolution and reformation.

Management-Cooperation-Safety. Congratulations!

The plaques were signed by Walter J. Kautz, President of Farm Bureau.

The guests were served a steak dinner before the awards were presented. After the meal, Fred Scheible, Safety Representative, introduced the members of the head table and the speakers. Gene Badger expressed appreciation to the honorees for their cooperation in the area of safety. He also stated that he saw more concern in the Glades area for safety than in any of the 12 southern states he had visited.

Ken Gilliam presented the awards and emphasized the partnership concept between employer-employee and the Farm Bureau. Due to the large number of recipients, this year is the first time they have had a banquet to honor them. The Farm Bureau hopes to make it an annual event. A pen and pencil set was given to all guests.

SAFETY AWARD WINNERS who were treated to steak dinners Tuesday evening were (first row from left) Benny Remondo of Evergreen Sod, Don Scruggs of Florida Lettuce, Bill Magill of South Bay Growers, Lamar Hilyer of Lamar Hilyer and Sons, R. Rodriguez of Roma Services, Lavon Millikin of Sugar Cane Growers Cooperative of Florida, Inc., David Day of Seminole Sugar

and (second row) J.D.P. Douglas of Chemi Air Spray, Louis Buckner of Hutton Brothers, Inc., Don Sellers of Florida Lettuce, Frank Teets of South Growers, Jerry Gummere of South Bay Growers, Carlos Fene of Big B Ranch, Alberto Rocio of New Hope Sugar and (not pictured) Roth Farms, Inc. and Mace Sod, Inc.

Recreation

Continued from Page 1

could join the group and they could be shown proposed plans for the park.

At that meeting, held at the civic center, City Public Utilities Director Ron Sigmon said he couldn't understand the talk about the city; that City Manager Robert Sanders had ordered him to get the city last Friday.

"We sent two dump trucks after it yesterday morning," Sigmon said, "and they both broke down 75 miles from here. We've sent a wrecker after them and they should be in today."

Sigmon also said, at the Tuesday meeting, he has the men who can do the survey work to lay out the ball in official American Softball Association dimensions and said he could get started on the project Tuesday.

Mayor Ralph Kirk and Commissioners Aubrey Farmer and Tom Altman, who attended the Tuesday meeting, told Sigmon to go ahead, once they decided to build the temporary softball field where the existing field is behind the swimming pool rather than where the proposed field will be finally laid out according to plans drawn up by Adley and Associates planners.

Dan Bythwood said the city should also light the field because when the day ended, the way it is now, they merely, "dump the children out into the streets after dark."

"We'll go ahead and build the field," Mayor Kirk said, "but there's no way we can put in the lights this summer."

Bythwood had also told the commissioners, "it's up to you. We want the Lake Shore Middle School gym to stay open at night all summer. That's when 70 percent of the juvenile delinquency takes place during the summer, is after nightfall when the kids don't have anything to do."

"That's when they wander down to the shopping center," he said, "and that's when they're picked up by a patrol car."

When Commissioner Farmer said the commission had already decided to wait until the budget sessions to decide whether to help fund the community school project which would keep the gym open and, "it's up to the county," Bythwood replied the county won't provide the funds.

"They're our children," he said, "and they're here in Belle Glade. The county won't do it for us. The Glades Central gym closed at 4 p.m. today. What are the kids going to do after 4? You're going to have to decide whether you want them under supervised recreational programs or out on the streets."

Bythwood stuck to his statement during the Tuesday meeting also, although City Recreational Director Johnny Hultedeg said the gym had opened again at 6:30 p.m. and remained open until 9 p.m. under the supervision of GCHS coaches Jay Seider and Willie McDonald. Rudge said the Glades Central gym is one of five school facilities and two city parks where the city is putting together its summer enrichment program. He said a total of 1,174 children were participating by the end of the first week on June 24.

The part of the proposed city summer recreational program which was scrubbed, however, included the use of the Lake Shore Swimming Pool.

The commission had been informed the filters at the pool would have to be replaced before the Palm Beach County Health Department would allow its continued use.

The two bids received were opened June 16 but Barker Osha and Anderson engineer P. Gerald Buselman wrote the commission the lowest was \$15,124 was incorrect and included no bond. The other bid was in compliance with bid documents but was priced at \$18,868.

"From my investigations during design," Buselman wrote, "I estimated that the cost should be around \$12,000. I still feel, from my further investigations that this is a good estimate. As can be seen, both bids are well above this amount. Apparently, because of the distance or some other reason the bidders felt that a higher price was required."

Buselman made no further comments but the commission decided to reject both bids and advertise for further bids immediately. When that decision was made, the discussion about city recreational problems began.

When the pool was injected into the arguments being made by the group, Altman pointed out that even if the commissioners had decided to accept one of the bids

immediately and the work went on schedule, the pool still wouldn't be ready by the end of this summer.

Emphasizing the urgent need, Eddie Rhodes said that since the pool is out for the summer, "We need a softball program. We need two good facilities and we don't need them tomorrow, we need them now. We already have ten girls' softball teams and at least six or seven men's teams. We need at least one of the facilities lighted."

"I understand your impatience," Altman told Rhodes, "and we're working on it. But we're trying to correct 20 years of neglect."

The commission finally decided Monday night to accept an Altman motion to use \$4,000 in federal revenue sharing funds to keep the

Lake Shore gym open the rest of the summer at night while requiring the school board to furnish the

city documentation on payroll use and to go prepare the softball field for immediate daytime use.

"Does that include my ball park," asked Elmore Williams. "I'll give you a free barbecue if you help me get my ball park. There won't be any bottle throwing or cussing either, except from me if you don't get a ball park down there."

Sigmon later said he expects to have the temporary softball field laid out according to American Softball Association specifications and ready to play on before the weekend.

Bill James reports to Rotary Club on legislature

BELLE GLADE-State Representative Bill James told Belle Glade Rotarians that while the state legislature will apparently not be returning to biennial sessions, the state budget may go that route in the not-too-distant future.

In a report to the local Rotary Club, James said he has found that under the once-every-two-years budget sessions, the cost of operating the state government during the second year usually went down but with budgeting once a year, there has been a steady rise in cost.

James said the state employees would also be able to do more actual work for the people under biennial budgeting also because with the existing system, no sooner has the legislature approved one budget than work begins on the following year's budget.

He said he wasn't satisfied with several bills this year, including the increased taxes on alcoholic beverages and cigarettes to balance the budget and the new automobile insurance act.

James said the new alcoholic beverages taxes puts Florida on top as the highest taxing state in the union and the cigarette tax will become tied with Connecticut for the highest taxes on cigarettes.

"I voted for every one of the taxes in the package," he said, "because I was convinced the Senate would pass no other tax package. He said he felt an added one per cent sales tax would have been better and he would also have liked to pass the soft drink tax.

"Soft drinks in machines went up from 25 cents to 35 cents when the price of sugar went up," James said, "but when the price of sugar went back down, the price of soft drinks stayed up where it was. And they even increased the price of dietetic drinks."

James said he was for the soft drink tax because it is a luxury as are cigarettes, whiskey, beer and wine and is now non-taxable except for sales tax.

"That was killed in the house," he said, "apparently because there were too many people who thought it was like taxing young kids."

James said he felt the 25 per cent increase in taxes on alcoholic beverages and the four cents per pack increase on cigarettes was a bad move because it will inevitably result in an increase in bootlegging, estimating the state has already lost \$400 million in cigarette taxes last year because of cigarettes illegally brought into the state.

"It's been estimated," he said, "that a person could drive an average sized car to North Carolina and bring back enough cigarettes in the trunk of their car to make \$2,000 profit."

"and there is no way police can search every car that crosses the Georgia line."

James said another item the state will have to live with is the adjustment upward of the phosphate severance tax, which he said will increase the price of fertilizer for local farmers and reflects the state's anti-business attitude.

"For the last several years," he said, "factories and businesses have been moving to the south to get away from the north but they're not coming to Florida because of the anti-business image here."

He said this image is holding back development in the state's

panhandle region where the injection of new business would be a boon.

James also attacked the new auto insurance law passed by the legislature and said he hopes the governor will veto it.

"I'm an insurance man myself," he said, "and there was a lot of it I couldn't understand."

But the house minority leader said the most disappointing part the legislature session was the killing, once again, of his own bill which would have created single member districts.

"For those of you who don't understand it," he said, "single member districts would cut down the whole cost of running for the legislature because you'd be running in a smaller district."

He cited as one example the \$20,000 cost for him during his last campaign for re-election to print and mail one brochure to the county's 145,000 homes.

"That's too much to spend for a \$12,000 a year job," he said, "but for two years now, we've passed the bill in the house and I like to think an unthinking, unfeeling senate has refused to even consider it."

James said more than 3,900 bills were introduced to the legislature this year. Of those, 671 were passed and only 477 were bills of a general nature which affected everyone in the state. The rest were special acts affecting single parts of the state and resolutions asking the U.S. Congress to take

some action.

But while he said it is hard to satisfy most of the people, he

recently came back from a statewide convention of people celebrating because a single word had

been omitted from a single law... which exempted them from the law's enforcement.

OLLIE DAVIS shows City Commissioners Aubrey Farmer (standing) and Tom Altman (seated at end of table) why he believes plans for a baseball diamond at Lake Shore

Recreation Park are unfeasible. Davis told the commissioners he believes the city needs a softball field there much more.

BILL JAMES tells Rotarians they can be thankful the state legislature passed only 671 of the more than 3,900 bills introduced in the session just ended.

Budget sessions near

BELLE GLADE-A proposal that the city commission should consider taking a "three day retreat" to prepare the city budget for next year instead of the traditional series of meeting met stiff resistance Monday night.

City Manager Robert Sanders suggested the commissioners go to Lake Placid July 22-24 and go over the budget in one concentrated

session but, Commission Aubrey Farmer said he would neither go outside the city for budget sessions nor would he work on the budget on Friday, Saturday or Sunday.

"I'm not going to work on weekends," Farmer told Mayor Ralph Kirk, "and neither are you. You're going golfing on Saturday and I'm going fishing." He said he could take off time during the week.

Farmer said he is also against leaving town to work on the budget because "there is no need" and he is against making it difficult for citizens to attend the sessions. Kirk said he couldn't possibly take off time during the week to work on the budget but he felt the idea of getting the sessions over with in one three-day work period is a good idea.

Commissioner Tom Altman agreed with Kirk that the idea is a good one and said he felt the commissioners should leave town for the job because that was the only way they would be able to concentrate on the budget without interruptions.

No decisions was made on the retreat and the item was placed on the agenda for the July 12 meeting of the commission but Farmer and Altman, in a later discussion agreed on a related point, that minutes should be taken at the budget sessions because of disagreements on budget matters in the past.

Although he wasn't there to discuss the suggestion, Sanders said he has used the retreat idea successfully at the last two towns he has managed.

In other actions, the commission:

- Authorized the city administration to offer to buy the Markham property in McDonald Park for \$45,000. The city has negotiated with the owners of the property for some time now.

- Issued a permit for portable classroom units to be installed at St. Peter's Lutheran School.

- Formally agreed to lease the city jail to Palm Beach County to house county prisoners in the facility, which was closed by the city June 22.

2 rescued from car

BELLE GLADE-Two small children were trapped for half an hour Monday afternoon in overheated car before their mother, police officers and firemen managed to break into the sweltering vehicle parked at Glades Plaza.

City Manager Robert Sanders suggested the commissioners go to Lake Placid July 22-24 and go over the budget in one concentrated

session but, Commission Aubrey Farmer said he would neither go outside the city for budget sessions nor would he work on the budget on Friday, Saturday or Sunday.

"I'm not going to work on weekends," Farmer told Mayor Ralph Kirk, "and neither are you. You're going golfing on Saturday and I'm going fishing." He said he could take off time during the week.

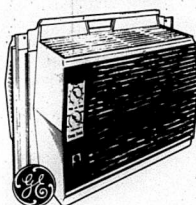

Farmer said he is also against leaving town to work on the budget because "there is no need" and he is against making it difficult for citizens to attend the sessions. Kirk said he couldn't possibly take off time during the week to work on the budget but he felt the idea of getting the sessions over with in one three-day work period is a good idea.

Commissioner Tom Altman agreed with Kirk that the idea is a good one and said he felt the commissioners should leave town for the job because that was the only way they would be able to concentrate on the budget without interruptions.

No decisions was made on the retreat and the item was placed on the agenda for the July 12 meeting of the commission but Farmer and Altman, in a later discussion agreed on a related point, that minutes should be taken at the budget sessions because of disagreements on budget matters in the past.

A matter of thrills 'n spills

DAVID CHAMBLEE makes it look easy as he gracefully swerves his way between the traffic cones on the downhill run in the first

event of competition among skateboarders at the tournament Saturday at the Apostolic Church of Jesus Christ.

SPILLS AND CHILLS were the order of the day and it wasn't always as easy as it looked, as evidenced by the frustrated expression on

Vance Barker's face as he picks himself up after his skateboard ran out from under him on a cutback.

Youngsters enjoy skateboard contest

JOHN STEDHAM demonstrated how it's done before most of the competitors started doing their thing in the skateboard contest Saturday. Here, he shows how to use the ramp to make a turn.

BELLE GLADE-It was a high speed run down hill through a slalom course with everything but the soft shush of skis cutting through fresh snow.

It was Christies, wheelies, 360s,

160s and deep knee bends done to the clatter of skateboard wheels grinding over asphalt. And it was the first-ever skateboard tournament to be held in Belle Glade last

Saturday at the Apostolic Church of Jesus Christ.

The Rev. J. P. Feld, who said the tournament was part of the ongoing summer recreation program on the church grounds, presented three skateboards to the winners in three age groups.

The competition began with a slalom race between traffic cones, with the racers trying to get between all the obstacles and still beat the competitors to the finish line.

After the slalom races, everybody adjourned to the basketball courts where John Stedham put on a demonstration of a variety of maneuvers, many of which the participants were asked to attempt to build up points for the final results.

Winning the skateboard in the 12-15 year old category was Ronnie Camern while Bobbie Hill won in the 9-11 year category and Paul Highslope won in the 6-8 year old category.

Class of '52 members gather at Hooker home

BELLE GLADE-From all over Florida and as far north as Connecticut, members of the Belle Glade High Class of '52 gathered at the home of Bobby Hooker for a 25th class reunion.

Besides one of the teachers and the principal of the high school, 19 members of the 35-member graduating class made it home for the reunion. Of the 30 surviving class members, 11 still live in the immediate area, most of those in the Glades.

Special guests of the class members were former Belle Glade Principal F. O. Hobson and Mrs. Mary Alma Stevenson, a former teacher at the school.

The Hooker home was decorated with a number of scenes clipped from the class yearbook and banners. The guests wore name tags with pictures of themselves clipped from the yearbook.

Following a social hour and dinner, Donna Zawadski gave the class prophesy and discussed newsletters and future plans.

Class members who live out of town who returned for the reunion included Jerry Burry of Middletown, Conn., Buddy Cox of Rockledge, Alvin Garrett of Interlachen, A. J. Harrell of West Palm Beach, Marianne Womack Jones of Jacksonville, Joe Leavitt of West Palm Beach, Jackie Royal McGuire of West Palm Beach, Jeannette Hobby Messer, Nada Crawford Million of Fort Myers, Betty Hall Sconyers of Clewiston, Kenneth Simmons of Fort Pierce, Jack Wilcher of Macon, Ga., Joanne Tedder Wilder of Delray, and Irma Stein Wright of Reddick.

Local class members who attended included Norman Austin of South Bay and Ethel M. Bair, Bobby Hooker, Willard M. Jones, Joe Revels and Donna Norris Zawadski, all of Belle Glade.

Belle Glade men's softball season starts

BELLE GLADE—The Belle Glade Men's Slow Pitch Softball League opened its 1977 season June 13 with Duda and Everglades Farm Equipment meeting in the first game and Pro-Cuba and South Bay Growers playing in the second game.

In the first game, Everglades pushed across three runs in the eighth inning to come from behind and defeat Duda, 5-4. For Everglades, Raymond Cunningham, Bob Davis and Earl Wynagat each had two hits to lead the winners. Mike Hatten and Brian Markham led Duda with three hits each.

In the second game, excitement ran high as Pro-Cuba grabbed an early lead in the first inning, combining some timely hits with two South Bay Growers errors to score four runs. South Bay scored two runs in their half of the inning and then took a commanding lead in the second inning as they scored seven times, highlighted by 'Frankie Rodriguez' two-run double.

Pro-Cuba wasn't finished, however, as the players slowly but surely kept coming back and tied the game in the eighth inning, setting the stage for an exciting finish.

In the bottom of the eighth, Romy Alvarez walked with one out. Aveter Echave was retired for the second out of the inning. Eddy Latour singled to score Alvarez from first. Smart base-running and hustle enabled Alvarez to score as he took advantage of off-target throwing by the Pro-Cuba defense.

Pro-Cuba put men on first and second with two outs, but were unable to score as South Bay Growers took the victory, 11-10. Frankie Rodriguez led the winners with a perfect performance, going four for four. Bill Thompson, Alberto Latour and Romy Alvarez each had two hits and Carlos Latour scored three runs for Pro-Cuba. First baseman Jorge Ruiz went three for four while Rigo Ruiz, Gustavo Ruiz and Angel Alava each had two hits for the losers.

Okeelanta and Glades Sugar scored lopsided victories in games Wednesday night as Okeelanta outscored Audrey's Bar, 28-9 and Glades Sugar bowled over the City team, 34-6.

In the first game, Dicky Sweet led the balanced Okeelanta attack with five hits, three runs and six RBI's. Centerfielder Chuck Heninger went four for six, including a two-run homer. Herbert Giese had three hits and

Sports

scored four runs as Okeelanta opened the season in high fashion, establishing itself as the team to beat for the championship this season.

In a losing effort, M. McMullen had a perfect evening at the plate, going five for five. D. Baughman had three hits for Audrey's.

In the second game, Glades Sugar was in command all the way, pouring the pressure on the new team in the league by, showing, a great offensive

performance highlighted by Dwayne Doney, who went five for seven, scoring four runs and batting in another six. R. Jones also had six RBI's, going four for six, including an inside the park home run. For the City team, Pete Webb went two for two and Al Doney had three hits in four at-bats.

South Bay Growers won their second game as they upped Everglades Farm Equipment, 15-3 in action Friday night and Duda

made it one for one in the new season by with a 12-11 squeaker over Audrey's Bar.

In the first game, Carlos Latour went five for five, scoring four runs, including an inside-the-park home run. Billy Weathers hit one over the left field fence, good for three runs and also slammed out a double. The powerful SBC attack also included two hits each by Alfonso Alvarez (two triples and three runs) and Eddy Latour. For Everglades, R. Davis went two for five. SBC is now 2-0 and Everglades is one for one.

In the last game of the week, Shoemaker scored the winning run in the bottom of the ninth inning as Kinlaw hit a single up the middle to win the game. The game was a see-saw battle all the way as the teams exchanged the lead several times.

For Duda, Kinlaw went four for five and Baez and Shoemaker each had three hits. For Audrey's, McKee, McMullen, Baughman, Walten and Grindstaff each had two hits.

After one week of action, the standings are:
South Bay Growers 2-0
Okeelanta 1-0
Glades Sugar 1-0
Everglades Farm 1-1
Duda & Sons 1-1
City Team 0-1
Pro-Cuba 0-1
Audrey's 0-2

There will be no games the rest of this week because of the Belle Glade tournament which begins at 6 p.m. Friday. Friday games have been re-scheduled and are being played as third games on Monday and Wednesday.

Softball tourney set in Belle Glade

BELLE GLADE—The Belle Glade Men's Slow Pitch Softball League will host a tournament at the Belle Glade Little League Ball Park this weekend with 16 teams participating in the round-robin double elimination tourney starting at 6 p.m. Friday and continuing throughout Saturday and Sunday.

The championship game will be played sometime Sunday evening. All eight Belle Glade teams will take part along with eight out-of-town clubs: R&M Dairy and Fullford from Okeechobee, Lakeport, CWA Union from West Palm Beach, and Wedgworth, PPI,

Union 76, and L&H from the Pahokee league.

Based on their strong second place finish at the recent Okeechobee Tournament, Union 76 looms as a favorite to win here, but R&M and Wedgworth are always strong and could easily come on top.

From the Belle Glade League Okeelanta and South Bay Growers appear to be the strongest.

ASA rules will apply for this tournament and official umpires will be employed. This tournament will also serve as a preview for the traditional July Fourth weekend Pahokee tournament to be held the following week.

Most of the teams in this Belle Glade tournament will also participate in the upcoming Pahokee event.

Gator hides bring up to

\$18.50 foot

GAINESVILLE—One phase of the pilot alligator management program took place Wednesday in Gainesville with the disposal of the alligator hides taken under the program.

Approximately 600 hides were sold at auction, the first sale of such hides by the Game and Fresh Water Fish Commission which is coordinating the pilot alligator management program.

Of these, 106 had been taken by licensed trappers in a six-county area of northeast Florida. Under contract to the Commission, the trappers are authorized to remove specified nuisance alligators in that area. The contract calls for these trappers to receive 50 percent of the sale price of the hides. An additional 96 hides were obtained by Commission personnel who removed the alligators upon complaint.

The remaining 379 hides sold were confiscated by Commission personnel over the past several years. Revenue from the sale goes into the State Game Trust Fund for further wildlife management and law enforcement projects.

Bidding on the hides were representatives of three companies licensed by the federal government to deal in alligator hides. They were Fouke Dressing and Dye of Greenville, S.C.; Ocean Leather of Newark, N.J.; and King International of Wilmington, Del.

A top bid of \$18.50 per linear foot was submitted by Fouke for the top grade hides. The same company submitted a bid of \$10 per foot for the lower grade hides.

All hides in the sale were closely monitored by Commission personnel and had come from storage at the Wildlife Research Facility where the sale was held. The pilot program is being coordinated out of that center. All hides were tagged and those taken by the trappers had been skinned in a specific fashion.

Another sale is anticipated in late September or October. Those hides taken during the summer months under the program.

CARD OF THANKS

My family and I want to thank everyone who sent flowers and cards during my recent hospitalization. We thank God daily we have such good friends.

Pahokee league to hold tourney

PAHOKEE—The Pahokee Mens Softball League is sponsoring a Fourth of July softball tournament this weekend at the City Park. The games will start on Friday night at 7:00 p.m. and will run through Sunday. Teams participating will represent Frostproof, Fort Pierce, Avon Park, Okeechobee, Vero

Beach, Belle Glade and Pahokee. The tournament will be a double elimination, played according to ASA rules and will feature ASA umpires. The public is cordially invited to come out and enjoy the games. For further information, call Roy Goodson (924-5700 or 996-9016) or Dale Morris (924-7162).

Students get ready to take APL again

Students at Glades Central and Pahokee High Schools are involved in a six-week summer

program to ready themselves for another crack at the Adult Performance Level Test now required before they can receive diplomas.

The courses are being offered as one-credit summer classes for juniors who failed the APL in April and they can retake it on Aug. 17 and 18.

Classes began Friday but Susan Weaver, secretary to H. W. "Dick" Berryman, said students may still enroll in the course this week although they may have to make up work to get the course to count credit.

When the test was given in April, 46 percent of the juniors who took it at Glades Central failed one or more of the five parts of the 200 question exam. If a junior failed only one part, it is the only part he would have to take again.

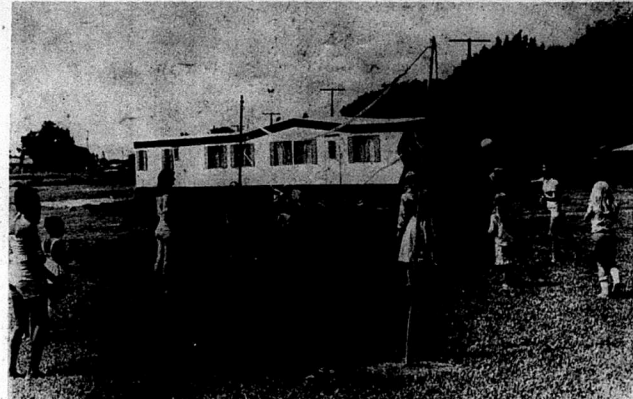

Miss Weaver said the summer program isn't related to the Reach Out program held in the spring, when a number of members of the community volunteered their time to tutor the students for the exam.

W. C. Taylor, chairman of Reach Out, said he had learned that of the students who took part in the tutoring program, 87 percent passed all five parts of the exam. But he also said only one third of the juniors slated to take the APL took advantage of the tutoring program.

Cpt. Morris to try for Master's

DAYTON, OHIO—Captain Steven B. Morris, son of Mrs. Sue B. Morris of 462 E. Main St. in Pahokee, has entered the Air Force Institute of Technology (AFIT) to study for a masters degree in operations research. Located at Wright-Patterson AFB, Ohio, AFIT provides selected Air Force members with resident education in scientific, engineering and other fields.

The captain, a 1965 graduate of Beaufort (S.C.) High School, received a B.A. degree in 1969 at Newberry (S.C.) college. He received his commission upon completion of Officer Training School, Lackland AFB, Tex. His wife, Rosa, is the daughter of Miguel Posa of 332 Parkview Court, Pahokee.

ANN LYNN SERVES in a volleyball game, which is part of the ongoing recreation program this summer at the Apostolic Church

of Jesus Christ on West Canal Street South. Other activities available include arts and crafts, softball, basketball and other games.

Restrictions are lifted in Area Three

Airboaters and half track operators are now able to run their vehicles in Conservation Area III north of Alligator Alley, due to the lifting of restrictions by the Game and Fresh Water Fish Commission.

Major Louis F. Gainey, Everglades Regional Manager, said the recent rains have reduced the threat of wildfire and motorized vehicles will be allowed to enter the area.

The restrictions were imposed earlier in the year by the Commission when the lack of rain increased the danger of wildfires in the area.

Stuart's Farm Service, Inc.
Canal Point 924-5577

CHRISTIAN DAY SCHOOL is now holding registration for the 1977-78 school year. To

avoid paying a late fee, interested persons should register by June 30.

Farm Bureau says sugar prices are inadequate to meet costs

GAINESVILLE—The U.S. Department of Agriculture's (USDA) proposed sugar price support is "inadequate" according to the president of Florida's largest farmer organization.

"The proposed price support is not going to help sugar producers. The price the producer will get is still way below production costs," says Walter J. Kautz, president of Florida Farm Bureau Federation.

USDA last week recommended a program offering payments of up to two cents per pound to assist sugar cane and sugar beet producers and processors. The program, to take effect with the 1977 crop, is based on a support price of 13.5 cents per pound. If the national average market price received by processors is less than 13.5 cents, processors would be paid the difference up to the two cent per pound maximum.

Kautz says that according to a survey, done by the University of Florida, average production cost per pound is 15.5 cents. "It's easy to see that a 13.5 cent price support is not going to help producers from prices that have been dropping substantially the past year," he says.

Kautz says the real answer to the problem is another Sugar Act. "This was something we had over 40 years and it was good for the

producer and consumer. It provided stable supplies and therefore stable prices," he says. A continuation of low prices may force many sugar producers out of business, says Kautz. "We could find ourselves in a critical situation if we lose our sugar producers in this country. Just like our present oil situation, we may eventually be at the mercy of foreign producers."

Angie Wood graduates

FORT MYERS—Edison Community College held its 14th commencement exercises April 22, graduating a class of 224 students.

Angie Wood, daughter of Mr. and Mrs. Robert S. Wood of 800 N.W. Second St. in Belle Glade, and a 1976 honor graduate of Glades Day School, received high honors, graduating 4.0 with an Associate of Arts degree.

She was awarded a plaque for being an outstanding scholar in the class of 1976-77.

Christian Day registration ends today

Christian Day School is now holding registration for the 1977-78 school year. Deadline for registration without paying a late fee is today, June 30.

The regular fee is \$100, but beginning July 1, it advances to \$150. Mr. Ray Stedham, principal, asks that interested individuals try to register early to avoid paying the late fee.

This registration is being held for planning purposes. The number of students planning to attend Christian Day School must be known before the budget can be set and faculty hired.

So far, the response to this registration has been good, but more persons are urged to sign up. Christian Day School offers quality education in a Christian atmosphere.

Division of Aging seeks office

BELLE GLADE—The Division of Aging of Palm Beach County is presently seeking donated office space for the Belle Glade area.

A spokesman for the division said there are no funds budgeted for office space, but asked anyone with a "corner of an office" he is willing to donate to call 842-4849.

The division provides services to the senior citizens of the county, including information and referrals, employment counseling, visits to the homes of seniors who live alone, home repairs for those unable to do such repairs themselves, shopping assistance, an Outreach program, and the well-known Telephone Reassurance program.

The Division is funded through state and federal taxes as well as county ad valorem taxes, but funds are limited and donations are accepted to help continue the current level of service and expand programs.

County offices for the Division are presently being maintained in Riviera Beach, Jupiter, Lake Worth Lantana, and Delray Beach.

Miss Blissitt, Mr. Hooker make news

SHAWNEE, OK.—Among the 635 students named to the spring semester honor rolls at Oklahoma Baptist University is Gail A. Blissitt of Belle Glade.

The Dean's honor roll requires a grade point average of at least 3.0, no grade lower than C, and enrollment in at least 12 semester hours.

ATLANTA, GA.—Richard M. Hooker, son of Mr. and Mrs. John W. Hooker of 1709 W. Lake Rd. in Belle Glade, graduated from Emory University Monday, June 13.

Retiring President Sanford S. Atwood delivered the commencement address to more than 1,500 graduates receiving degrees.

Public Notice

LEGAL NOTICE
The Belle Glade City Commission will consider adoption of a proposed Municipal Ordinance the title of which is as follows: An Ordinance of the City Commission of the City of Belle Glade, Florida, relating to the building trades and industry; providing qualifications for obtaining occupational licenses in certain building trades; repealing sections 18 through 19, and section 32, of Chapter 9, and sections 22 through 24 of Chapter 9, of the Code of Ordinances, amending sub-paragraph (5) of paragraph (B) of part (III) of section 13 of Chapter 9; amending section 30 of Chapter 19; amending section 21 of Chapter 9, and amending Chapter 19 by providing section 61; providing for qualifications to obtain building trade occupational licenses, and providing an effective date.

Said Ordinance will be considered for second and final reading at the meeting of the City Commission to be held in the City Hall, 33 West Avenue A, Belle Glade, Palm Beach County, Florida, at 8:00 p.m., on the 11th day of July, 1977.

All interested persons may appear at said meeting and be heard with respect to said proposed Ordinance, a copy of which is in the office of the City Clerk at the Belle Glade City Hall Annex, 110 S.W. Avenue E, Belle Glade, Florida.

ADVERTISEMENT AND NOTICE TO CONTRACTORS
Sealed bids for the installation of a filtering system for the Lake Shore Park swimming pool will be received by the City of Belle Glade, Palm Beach County, Florida, at the office of the City Manager, 110 S.W. Avenue E, Belle Glade, Florida, until 11:00 a.m.

July 7, 1977, at which time all bids will be publicly opened and read aloud. The work consists of, but is not limited to, furnishing and installing two cartridge type filter units, pump motor, wiring, piping, valves and appurtenances. Any bid received after the designated time will be returned unopened to the Bidder. Plans, specifications and other contract documents may be obtained at the office of the City's Consulting Engineer, Barker, Oles & Anderson, Inc., 880 U.S. Highway One, Suite 202, North Palm Beach, Florida, 33408, upon payment of \$10 per set.

Any bidder submitting a bonafide bid to the City for the work on the bid documents provided by the City and in accordance with the requirements of the City, upon returning the plans and specifications in good condition to the Consulting Engineer's office within 30 days from the date of opening, will be refunded 100% payment for one set of plans and specifications. Refunds will be made for the purchase of additional sets of plans and specifications. Copies of the above described documents may be examined by prospective bidders at the office of the City Clerk or at the Consulting Engineer's office.

All bids shall be enclosed in a sealed envelope addressed to the City Manager, Belle Glade, Florida, 33408, and plainly marked on the outside "Bids for Lake Shore Park Swimming Pool Filters, Contract No. 77-1020." Bids shall be accompanied by a satisfactory bid bond or a certified check drawn upon any State or National Bank in Florida, made payable to the City of Belle Glade in the amount of 10% of the price bid as a guarantee to the City that the successful bidder will enter into a contract and furnish performance and payment bond as required within 10 days after due notice of award of any portion of the work to him.

The successful bidder shall furnish and pay for a Performance Bond and a Payment Bond each in the amount of 100% of the total bid price, said bonds being executed on the form provided in the Contract Documents. A maintenance bond guaranteeing

repair or replacement due to improper materials or workmanship for a period of one year after acceptance of the work by the City will also be required.

The City of Belle Glade reserves the right to hold the bid without action for a period of 30 days from the date of opening. The City further reserves the right to reject any or all bids or to accept any bid and to award the Contract in the best interest of the City.

PAHOKEE DRAINAGE DISTRICT
RESTORATION TAXES
FOR THE YEAR 1977

Take notice that pursuant to the provisions of H.B. 1491, Laws of Florida, Acts of 1964, the Board of Supervisors of the Pahoek Drainage District has caused to be prepared a Budget of the Improvement and Restoration of the District's facilities of Pahoek Drainage District for the year beginning the first day of October, 1977 and ending the thirtieth day of September, 1978, said Budget, among other things shows the amount of Restoration taxes per acre necessary to be levied upon the lands within said District for the year 1977, which Budget has been completed and presented to the Board and examined at said office. That the Board of Supervisors will meet at 9:30 o'clock a.m., Monday, July 11, 1977, at the office of the Pahoek Drainage District in Belle Glade, Florida, and from day-to-day thereafter, among other things shows the purpose of hearing objections and complaints concerning said Budget.
